Company is not licensed to provide and does not provide dental services. Members are eligible to receive discounts on dental services in accordance with the Savings Schedule from any Provider.
participating in Plan. Members are obligated to pay Providers for dental services at the time of service in accordance with the Provider’s payment policies. No portion of any Provider’s fees will be reimbursed or otherwise paid by Company. Because some savings are based on a percentage of the individual Provider’s usual and customary rates, actual savings may vary. Plan may not be used in conjunction with any other membership plan, discount health care program or third-party payor program, including government and private third-party payor programs (e.g., Medicaid, private insurance). All savings amounts listed on Savings Schedule are current savings offered by Providers and are subject to change. From time to time, Providers may, at their discretion, offer services or products to the general public at prices lower than the Savings Schedule prices available through Plan membership.

b. Providers are solely responsible for the services and products received by Members, and Company disclaims any liability with respect to the provision of such services and products. Company cannot guarantee the continued participation of any Provider. Company reserves the right to terminate any Provider’s participation in Plan at any time without prior notice to Members.

   b. By enrolling in Plan and providing your payment information to Company, you, the Member, are authorizing Company to bill your credit card or checking account for Membership Fees for the initial term and any renewal term(s) at the plan level rate (e.g., individual, family, etc.) that you have selected.
